

## **Current Sunday Mornings with Harbor Kids**

**Who:** Kids age 1-year through grade 5 are welcome; register at check-in.

**When:** Harbor Kids programming is available at the 9am & 11am services.

**Where:** Check-in will be in the Harbor Kids lobby, located to your right after entering the main building doors.

### **How this currently will look:**

- All activities/games will ensure we are creating a positive, engaging environment while adhering to social distancing guidelines. The amount of kids and leaders in spaces will be determined by recommended "person per square foot" guidelines.
- Our time together will include live worship, large group, and small group time.
- Volunteers will be wearing masks. All children (age 3 - grade 5) will be asked to wear masks while participating in Harbor Kids in common areas such as the lobby, check-in, bathrooms, large group area, and hallways. Masks will be available upon request for kids as needed.
- Preschool aged children will be able to remove their masks when they are in the small group room and able to be socially distanced from each other. Elementary aged children will be asked to wear their masks in their small group room.
- We ask that only one parent or guardian pick up kids from the designated area (see signage in Kids Lobby) in the Kids Wing at the end of the service.

### **Options for families:**

- Any family that prefers to keep their child with them in the service can pick up a worship pack from the Welcome Center to utilize during the service. We welcome wiggles and giggles at South Harbor.
- The lobby area, located near the Kids Wing, will be a designated area for parents to be with their nursery aged children if they are more comfortable outside of the Worship Center. The service will be live streamed to this area.

**Volunteer Opportunities:** If you're interested in serving in Harbor Kids, [here are many opportunities](#) to get involved. If you are willing to serve, please fill out this [volunteer form](#) or email [SHkids@harborchurches.org](mailto:SHkids@harborchurches.org).

**We are so excited to see your kids and worship together!**

For an overall detailed response to COVID-19, the Harbor Kids team has put together [this information](#) regarding our fall programming.

*As with most plans during this pandemic, dates and plans are subject to change based on trends and health recommendations.*
